ONLINE LINGUISTIC SUPPORT (OLS) is a portal for testing the language skills of students selected for Erasmus+ mobility at partner institutions abroad and for attending language courses during the mobility. OLS is applicable only for mobilities where the language of mobility (teaching or traineeship) is Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Italian, Latvian, Lithuanian, Polish, Portugese, Romanian, Slovak, Slovenian, Spanish or Swedish – excluding native speakers (native speakers will attend and be tested in other foreign language). Contact for OLS and assignment of the license for OLS courses and testing: International office of the Rectorate of the University of Novi Sad, iro@uns.ac.rs .

After selection, the selected candidates will receive an email for activation of OLS account via the portal (<https://erasmusplusols.eu/en/>) in order to perform the first language test. The first test is the prerequisite for the mobility and candidates are obligated to complete it within the stipulated period (until the deadline defined on the portal). The instructions are defined in the guidebook, and the results will be displayed in the portal (with a detailed analysis and indication of the knowledge level) and sent to the candidates by email.

After the first test of language competencies for mobility language, the participants will be assigned the license for attending relevant language course at OLS portal. The candidates can decide to attend the course of a local language in the country of mobility, disregarding the results of the first test.

Second testing of language competencies is performed only for the language of mobility (same language as for the first testing, not for the local language if the student has chosen to attend it). The candidates who are assessed C2 level are not obligated to do the second testing. The candidates will be automatically informed about the deadlines for second testing 30 days before the end of their mobility.

ALL SELECTED STUDENTS ARE OBLIGATED TO PERFORM BOTH FIRST AND SECOND OLA TESTING AND TO ATTEND THE COURSE OF LANGUAGE OF MOBILITY.
